St. Vincent de Paul Society

Today's second collection benefits the St. Vincent de Paul St. Rose Pantry. During difficult economic times, non-profit service agencies struggle for support. However, the generosity of St. Rose parishioners sustains our pantry at an effective level of operation that is continuing and without compromise or interruption. We are most grateful.

Farewell Receptions for Sr. Sheila Coffey

Sr. Sheila Coffey will be returning home to her family in Ireland in early July. She has served as the Director of Religious Education in the parish for the past 25 years. During that time she has touched and influenced the lives of countless children, youth, and parents. We thank her for her ministry and wish her well in the next phase of her life. Parishioners will have the opportunity to express their appreciation during the receptions after all the Masses the weekend of June 19/20.

Thanks to the Zamaroni Family

The parish greatly appreciates the Zamaroni family and thanks them for their recent generosity. They donated all the landscaping materials for the replacement of the lawn in front of the convent. We did this as part of the city water conservation program. The parish will receive a rebate of \$1100.00 when the project is completed.
